NIELSEN'S MOBILE

IRRIGATION PIPE REPAIR

Fellow ranchers, have you found yourself needing that extra length of pipe but looked around & seen your broken pipe pile has increased over the years. I offer the service of a mobile press which can go directly to your problem area & repair your pipes. I am capable of pressing new couplers into wheel lines, hand lines and repairing any bent or broken pipes you may have.

**Please fee free to call for a quote
or any questions you may have.**

Helicopter Spray Program 2015

Book now for Aerial Spraying of:

- Range and Pasture Noxious Weeds
- Forestry Budworm/Tussock Moth Control

Benefits

- Cost-effective noxious weed control in range and pasture/forestry pests.
- **50% cost share program available to landowners in the TNRD and CRD regional districts with a maximum rebate of \$3000/year. (Please enquire)**
- Targeting noxious weeds/pests at an early developmental stage to reduce herbicide and insecticide application rates.
- Effective spray coverage in difficult terrain situations.
- Efficient spray coverage over target regions resulting in quicker and more uniform noxious weed control as well as forestry pest control.
- Aerial spraying jobs are recorded on GPS topographical maps for future range management decisions.

Purity Feed Ltd. will be offering our aerial programs starting in
June 2015, call today for an assessment
