Register your Premises ID...

The BC Cattlemen's Association, partnering with the BC Ministry of Agriculture, have been assisting livestock producers to register their premises IDs. We urge all livestock producers, regardless of size, to register a premises ID.

...whether you have one cow or 1000, you need a premises ID.

What is a Premises?

A parcel of land where animals, plants or food are kept, assembled or disposed of, including:

- Farms, Stables and Hobby farms
- Community Pastures
- Auction and Livestock Sale Yards
- Feedlots / Assembly Yards
- Abattoirs / Rendering Plants
- Exhibition / Fairgrounds / Race Tracks
- Veterinary Clinics

NOTE

New proposed traceability regulations will likely require all livestock industry stakeholders to have a premises ID - ACT NOW!

REGISTER TODAY!

It's **EASY** and **QUICK**.
NO COST.

For more information about Premises ID, please visit
