## AgriStability Interim Payments

### Attention Producers

Farm operations experiencing income declines can apply for an Interim payment for the 2011 crop year. According to the program a participant can receive up to 50 percent of his or her final AgriStability benefit.

Here are some important details.

- To apply for an Interim Payment, you must be a participant in AgriStability for the 2011 program year. You must have received an Enrolment Notice (EN) for the 2011 program year and as well you must have paid the enrollment fee by the deadline
- The Interim Payment is an advance on your final 2011 AgriStability benefit.
- If you receive an Interim Payment, you **must** submit a final 2011 application prior to December 31, 2012 so your final AgriStability benefit can be determined. If you do not submit the final 2011 application, you will be in an overpayment situation and required to repay any benefits received through the 2011 Interim Payment.

**Interim Application Deadline: March 31, 2012**
