#### **Welcome To Another Great Sale!**

We are bringing 4 tremendous yearling bulls to the sale this year. Come by the farm to check them out or stop by the pen on sale day to see these good looking bulls.

All are out of our herdsire Gridtopper 18W- an easy calving, mid-framed, thick bull, with an easy going disposition. Moms are hardy and good milk producers.

These bulls are moderate framed, docile and easy handling. Built to last with good, strong feet and legs. Great gains off the pasture. Fed on the farm this winter on a balanced ration and roughage for moderate gains. Vaccinated and vet-checked prior to sale.
