GENERAL INFORMATION, TERMS AND CONDITIONS FOR BUYERS

TERMS OF SALE:

1. Each consignor may place a reserve bid on his/her animal(s) if desired. Should this reserve not be topped and the animal is passed out of the ring unsold, the consignor must pay the normal commission on the reserve.
2. Every animal sells to the highest bidder and, in the cases of disputes, the auctioneer's decision shall be final.
3. No release shall be given until satisfactory settlement has been made.
4. Announcements from the auction block will take precedence over the printed matter in the catalogue.

SETTLEMENT OF PURCHASES:

5. All purchases must be settled for within the day of completion of the sale, by cash or cheque, at the sale office.
6. Immediately after a purchase is declared, the risk of the animal shall be exclusively with the purchaser. Insurance will be available on the premises.

CONDITIONS OF SALE:

7. All bulls are sold subject to all health requirements set by the Vanderhoof Bull Committee. Bulls have passed examination by a 3 person sifting committee on the day before the sale. An appointed veterinarian has final say in all health matters.
8. Consignors guarantee sale animals to be in sound health and free from physical defect, contagious or infectious diseases.
9. Bulls have had a satisfactory semen test performed by a qualified veterinarian, not more than 45 days prior to the sale.
10. The consignor is not responsible for damage by foreign bodies after the animal is sold or for a sickness or injury not apparent at sale time.
11. Each bull carries a Certificate of Registration or Birth Certificate issued by the pertinent Breed Association. Certificates of Registration or Birth Certificates will be retained by Management until settlement has been made. After settlement has been made, Management will submit the certificate to the appropriate breed association for transfer of the certificate into the purchaser's name.

GENERAL:

12. The Vanderhoof Invitational Bull Sale Committee reserves the right to decide any point not covered by the Rules which the Committee considers necessary in the proper regulations and management of the sale. The decision of the Committee shall be final in all cases.
13. All persons who attend the sale do so at their own risk and the Owners, Managers and Sale Staff assume no liability, legal or otherwise, for any accidents or property loss that may occur. All Buyers, Bidders and those otherwise in attendance agree to these conditions and are bound thereby.

All persons who attend the sale do so at their own risk and the Owners, Managers and Sale Staff assume no liability, legal or otherwise, for any accidents or property loss that may occur. All Buyers, Bidders and those otherwise in attendance agree to these conditions and are bound thereby.

GLENBIRNAM BLACK ANGUS

Glenbirnam Farm has come full circle. The first calf registered under the Glenbirnam prefix was Glenbirnam Elsie 1 Y in 1990. In 2011, the first calf registered under the Glenbirnam prefix was Glenbirnam Yogi 1 Y.

We are pleased to have 5 bulls entered in the 2012 Vanderhoof All Breed Bull Sale that are a result of our breeding program.

Since 1995, Glenbirnam bulls have been fed at the Lazy B Bull Test station in Fort Fraser.

We try to select herd sires both from within the herd and out-sourced to constantly improve on performance. All cows are naturally bred, and calves are raised on pasture with no creep feeding. In 2011 all cows were tested for and were found free of BVD and Johne's disease.

We are pleased that most of our bulls stay within the Central Interior and wish to say a sincere thank you to all our buyers. We appreciate your business and hope that these bulls perform as well or better than their predecessors.

All our bulls are fertility tested, vaccinated and fully guaranteed. Your success is our success.

Pre-sale viewing of our bull-pen is welcomed; we would be happy to assist with sale selections prior to sale day.

Please feel free to call us to discuss your current and future bull requirements.
