RE-SALE PROJECTS						
Proceeds from re-sale projects will go to the District 4-H Council.						
GETTING THE MEAT TO THE FREEZER						
When paying for your live animal after the sale, please indicate where you would like it butchered, cut & wrapped.						
The 4-H Council provides transportation of your animal to the slaughter facility. If cutting and wrapping of						
the meat is to be done at a different facility, this must also be indicated so that arrangements can be made to						
transport the carcass. The buyer will be charged for butchering, cutting and wrapping. Buyers are asked to						
contact their chosen cutting and wrapping facilities the day following the sale to provide instructions on portion size						
and any special processing requests.						

Thank-you for all your support!
