	RE-SALE PROJECTS					
	Proceeds from re-sale projects will go to the District 4-H Council.					
	GETTING THE MEAT TO THE FREEZER					
	When paying for your live animal after the sale, please indicate where you would like it butchered, cut &					
	wrapped. The 4-H Council provides transportation of your animal to the slaughter facility. If cutting and					
	wrapping of the meat is to be done at a different facility, this must also be indicated so that arrangements can					
	be made to transport the carcass. The buyer will be charged for butchering, cutting and wrapping. Buyers are					
	asked to contact their chosen cutting and wrapping facilities the day following the sale to provide instructions					
	on portion size and any special processing requests.					

Thank-you for all your support!
