**Wilf Smith**, Williams Lake: 250-267-3898

Prior to the sale please contact **RRTS Charolais** for any additional information. We are here for you !

**\* Satisfaction guaranteed \***

Greetings friends!

Firstly we would like to thank everyone who has supported the Charolais breed and our annual bull sale - you are all truly special folks and make everything we do worth doing!

As you may have noticed, our Tuesday sale has changed this year and is being held on Saturday, **February 29th** (*what a fun way to spend leap day!*). We are very excited this year for the opportunity to hold our sale in conjunction with Pine Butte Ranch's Purebred Horned Hereford Bull Sale. The Hereford and the Charolais work very well together and we hope that by combining our sales we will provide our customers who use both breeds with an added shopping convenience.

The purebred Charolais sires we have on offer this year are one of the best groups of bulls we have raised (a special thanks to our son Colton for this!). They are 100% AI breeding chosen out of the leading Charolais genetics available, sporting good dispositions, depth, guts and overall performance while still keeping calving ease as part of the primary focus. If you're in the market for a Charolais sire we look forward to discussing your current herd and preferences so we can assist you in finding a sire that will compliment your program.

All bulls have been vaccinated and will be semen tested and checked over by our vet prior to sale day.

If you aren't ready to bring your new fella back home with you after the sale, we offer to take the bull back home with us at no charge to you with free delivery [in Western Canada] in late March/early April. We do recommend you insure your bull if you leave him with us. Insurance will be available sale day.

In the meantime, if you would like any additional information on the herd sires or our program, please do not hesitate to contact us.

Lunch will be provided on behalf of Pine Butte Ranch and ourselves at noon with the bull sale scheduled to commence at 1 pm.

We hope that you will be able to join us along with Pine Butte Ranch and the great staff at the BC Livestock - look forward to seeing you on sale day !!

Warm regards,

*Rob & Family*

## *What is an EPD?*

*An EPD (Expected Progeny Differences) is a prediction of future progeny performance for an animal when randomly mated to an infinite number of cattle.*

EPD's provide a genetic description for an animal for their traits [i.e. birth weight, weaning weight, milk, yearling weight, etc.]. EPD's are expressed in the actual units of measure for a given trait. As an example, EPD's for traits such as birth weight (BW), weaning weight gain (WW), and yearling weight (YW) are expressed in pounds.

It is important to remember though that EPD's should only be used as a guideline to assist you with your selection as although they are based on reliable criteria they can only provide a likely probability of what the offspring will be like.

### **2020 Charolais breed average EPD's:**

|            | <b>BW</b>  | <b>WW</b>   | <b>YW</b>   | <b>Milk</b> | <b>TM (1/2 of WW plus Milk)</b> |
|------------|------------|-------------|-------------|-------------|---------------------------------|
| <b>EPD</b> | <b>0.9</b> | <b>44.1</b> | <b>84.8</b> | <b>21.5</b> | <b>43.5</b>                     |

In the Charolais breed if the birth weight (BW) EPD is above +0.9 (the current year's breed average) he will be more likely to sire calves bigger than the breed average. If below +0.9 he will be more likely sire calves smaller than the breed average.

If the weaning weight (WW) EPD is higher than 44.1 (the current year's breed average) he will be more likely to sire calves heavier than breed average at weaning. If below 44.1 he will be more likely to sire calves that are smaller than breed average at weaning.

*A couple of suggested rules....*

- Use EPD's only as one of many selection tools
- Don't compare them across breeds as each breed has it's own base and breed average(s)

\* \* \* \* \*

***It is very important to note that along with genetics, the size of the fetus and calving ease are also determined by other factors such as nutrition / feed, the size, condition / health and age of the cow or heifer at calving time and the length of gestation.***

## RRTS REFERENCE SIRES

LT Affinity

| EPD'S-Affinity |           |
|----------------|-----------|
| BW             | -5.4      |
| WW             | 35.0      |
| YW             | 75.0      |
| Milk           | 28.0      |
| TM             | 46.0      |
| Reg #          | PMC757628 |

**Lt Affinity** comes out of a superior cow family sporting great epd's, performance and calving ease. He was the high selling bull in the 2017 Lindskov-Thiel bull sale in 2017 at \$100,000. A phenomenal addition to our breeding program.

M6 Bells & Whistles

| EPD'S-<br>Bells & Whistles |           |
|----------------------------|-----------|
| BW                         | -0.1      |

| Milk                   | 19.0      |
| TM                     | 44.0      |
| Reg #                  | PMC713712 |

**WC Milestone** is a homozygous polled power bull exhibiting phenotypic quality, smooth joints and sound structure. He follows in his sire's [WC Benelli] quality footsteps.

**LT Patriot**

| <b>EPD'S-Patriot</b> |           |
|----------------------|-----------|
| BW                   | -3.5      |
| WW                   | 43.0      |
| YW                   | 83.0      |
| Milk                 | 22.0      |
| TM                   | 44.0      |
| Reg #                | PMC750061 |

**LT Patriot** is a homozygous polled sire offering breed leading qualities in all areas including calving ease. He was the high selling bull in the 2015 Lindskov-Thiel Ranch sale at \$105,000. An exciting addition into our breeding program.

**CSS Sir Gridmaker**

| <b>EPD'S-Sir Gridmaker</b> |           |
|----------------------------|-----------|
| BW                         | 0.0       |
| WW                         | 34.0      |
| YW                         | 64.0      |
| Milk                       | 18.0      |
| TM                         | 36.0      |
| Reg #                      | PMC327387 |

**CSS Sir Gridmaker** is a polled well balanced sire with lots of depth and natural muscle. His genetic traits include calving ease and great growth.

## RRTS REFERENCE SIRES

**CJC Symbol**

### EPD'S-CJC Symbol

|       |           |
|-------|-----------|
| BW    | 3.8       |
| WW    | 51.0      |
| YW    | 77.0      |
| Milk  | 15.0      |
| TM    | 40.0      |
| Reg # | PMC365955 |

**CJC Symbol** is a rugged bull designed to produce calves that will have great hair coats, thickness and body mass, resulting in power and balance.

**Cedardale Zeal**

### EPD'S-Zeal

|       |           |
|-------|-----------|
| BW    | -1.7      |
| WW    | 46.0      |
| YW    | 71.0      |
| Milk  | 6.0       |
| TM    | 29.0      |
| Reg # | PMC345134 |

**Cedardale Zeal** sports an attractive design and eye appeal, exceptional muscle shape, structural soundness, and is homo polled.

A farmer drove to a neighbor's farmhouse and knocked at the door. A boy, about 9, opened the door. "Is your dad or mom home?" said the farmer. "No, they went to town." "How about your brother, Howard? Is he here?" "No, he went with mom and dad."

The farmer stood there for a few minutes, shifting from one foot to the other, mumbling to himself, when the young boy says "I know where all the tools are, if you want to borrow one, or I can give dad a message."

"Well," said the farmer uncomfortably. "No, I really want to talk to your dad, about your brother Howard getting my daughter Suzy pregnant."

The boy thought for a moment, then says, "You'll have to talk to my dad about that. I know he charges \$500 for the bulls and \$150 for the pigs, but I have no idea how much he charges for Howard."

**"OK, LAST NIGHT YOU WASHED DISHES,  
TODAY YOU ARE FOLDING LAUNDRY.  
What kind of Cow did you buy and how much was it?"**

## ***TERMS and CONDITIONS***

---

*This sale is CCA certified*

All breeding guarantees and auction practices will be as outlined in the CCA Code of Ethics.

**TERMS:** Terms of the sale are cash or cheque and is payable in Canadian funds at sale location. No cattle shall be released before settlement is made and sale management reserves the right to demand a certified cheque before releasing any sale cattle. Should any purchaser fail to settle for purchase, management reserves full power to resell the animal to the best advantage. Either publicly or privately. Any loss arising from such resale, together with keep and all other expenses, shall be payable by the defaulter.

**BIDS:** Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder. In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold. An insurance broker will be available sale day. All persons who attend the sale do so at their own risk. The owners, staff, and sellers assume no liability, legal or otherwise, for property loss or for any incidents that may occur.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by the auctioneer at sale time and will take precedence over the printed matter in catalogue.

**CERTIFICATE OF REGISTRY:** Proper Registration or Recordation paper will be posted on-site sale day and provided to the buyer after settlement has been made. CCA will transfer the records.

**BREEDING GUARANTEE:** Should any bull under the age of fourteen months or over, fail to prove a breeder after being used on cows, known to be breeders, the matter should be reported to the seller within six months of purchase. The seller will then have the right and privilege of six months to prove the bull a breeder. This is providing the bull has been maintained in satisfactory breeding condition.
