CURRENT MARKET REPORT

Not a lot has changed since our last report. The corn belt got a lot of moisture in spots over the weekend which has revitalized crops that were suffering from heat stress; locally this heat wave we are experiencing is drying out any crops that don't have irrigation, although it looks like we are going to see some reprieve soon. The immediate slaughter market remains very strong as people continue to start going out once again and economies are picking back up. Feeder cattle are seeing strength as the numbers available for the summer months are drying up. Forward cattle sales remain aggressive with feedlots optimistic about prices moving into the fourth quarter of 2021 and beyond. If this heat wave continues, we might see grass cattle come off of pasture early, and that could temper the appetite for backgrounded feeder cattle. Best of luck with your grass and haying in this weather.

KAMLOOPS REGULAR SALE JUNE 29 TH

Another excellent sale in Kamloops even though the heat was difficult. Butcher cows, bulls and cow/calf pairs were the heaviest volume. We did have lighter receipts this week. **The Iron Mountain Ranch** put the test to our Butcher cow trade with 1220 lb cows that sold to 108.00. **Fred Bowers** had a 2420 lb Hereford bull that brought 114.00. **Doug & Lois Miller** had excellent quality 735 lb Hereford strs that raced to 202.00 and their big 865 lb char str topped 194.50. The **Elkink Ranch** had a powerful liner load of Butcher cows starting with a ring full of 31 high yielding 1279 lb Butcher cows that hit 101.50. The cow herd dispersal sale for **Kelly Wallden** saw a top group of Blk Angus cow/calf pairs trade to 2175.00. The **Deanfield Ranch** had 2078 lb Hereford Butcher bulls set in at 116.00. **Dale Quelch** of Ross Creek had 1040 lb Red Angus strs sell to 172.50. Thanks to everyone for one top sale. Just a reminder that the Kamloops BC Livestock office will be closed from July 5th to July 9th. The next sale in Kamloops will be July 20th 3 weeks away.
