SPECIAL MESSAGE

I would like to thank all of our buyers, producers, and clients for their continued patience while our staff and tech support familiarize and learn our new auction software system. As most of you are aware, BC Livestock Coop stepped into the future and adopted a new auction software system this summer. Currently Williams Lake & Vanderhoof have 1 sale each under their belts and Kamloops has 2. As with any new technology we are working through some training and tech issues. I would like to thank everyone for their continued patience. We are working towards having our new online bidding platform for our cattle sales implemented in the near future. I know many of you are anxious to use and see the benefits of the new online bidding platform, as are we all, but please be patient with our staff as we navigate through those steps. Bringing BCL into the 21st century in regard to technology has been a huge step in the right direction and we look forward to providing a more enhanced buying experience. If you have any questions regarding the new online bidding platform, or any other issue, please reach out to myself directly.

HELP WANTED

Willow Ranch is looking for up to two people for ranch/farm hands. One position could be focused more on farming duties, if we were to find the right candidate.

DUTIES

- Irrigation (Ranch consists of pivots & Wheel lines, guns operating off gravity & wells)
- Farming/ cultivating/seeding/ harrowing
- Equipment operation and maintenance
- Calving, range fencing, feeding & seasonal duties, etc
- Experience in horseback riding, cattle herding and working cattle through corral and squeeze systems on horseback and on foot would be desired but not required.
- Haying/swathing/haylage/baling
- Ranch building & maintenance
- Weed Control

Newly renovated house is provided along with utilities and internet. Salary range dependent on experience and expertise. Extended benefits are provided after 3-month waiting period. Half a beef is provided to each teammate each year.

Opportunity to build your own cow herd over time as part our benefits/incentive program. Weekend work is required for irrigation, calving, winter-feeding and haying times, but when possible we set up a rotational schedule in order to give weekends off.

All teammates do all jobs at the ranch as required.

If you are interested, please contact Keith Ogilvie (ranch manager)
